Personal Injury Claims

At Claybrook, we work on a “**CONTINGENCY Fee**” or a “**No - WIN-No-Fee**” basis on most personal injury claims, which means we only get paid if we win your case. In this way, you do not need to worry about the cost of litigation and other related expenses that come with your claims. Once our team of experts establish that you have a good case, we will agree a fee with you which is only payable after your case becomes successful and compensation has been received from the tortfeasor. Our team is available to answer any questions or concerns you may have, and we will keep you informed throughout the entire process. We believe that transparency and communication are key to a successful attorney-client relationship.
